

[privacy policy](#) [policy](#) [rules](#)

Well, Here is the Privacy Policy :)

Well well well, Nothing is stored! Really nothing is stored! All is based on [internal cache](#) provided by Discord!

Except the server name which is just meant for the developer to see in which server the bot is in And rest the [DISCORD PRIVACY POLICY](#) applies.

- This bot is open source project
- No data is stored, all is done by [internal cache](#) provided by discord
- It is licensed under [Creative Commons Zero v1.0 Universal](#)
- A simple third party tracking is done by [STATCORD](#), view their [privacy policy here](#)

Still having doubts ?? you can contact me here in [the support server](#)
